

The Social Security Administration handles several important federal programs. Many contact me each month with questions about their retirement, Medicare, and their applications for disability benefits. Here are a few of the most common questions my office receives that deal with this agency:

[How long does it take to process Social Security Disability claims?](#)

[What can the Congressman do to help with my Disability claim?](#)

[Social Security Web Site](#)

[Medicare Web Site](#)

If you have questions or comments about any issue involving the Social Security Administration, feel free to call the Harry Helpline at 1-888-9-TEAGUE
